With Turning Point Community Services, Inc.

Empowering Women & Their Families Towards Independence & Stability

OUR PROFILE

Since 2002, Turning Point Community Services (TPCS) has been supporting women on their journey to independence and stability. We are committed to helping women break the cycles of homelessness and abuse by providing secure housing and innovative supportive services.

Each person's circumstances are unique. We believe that the ultimate road to self-sufficiency is through empowerment, dedication, and accountability. Our staff, strong network of volunteers, and community partners allow us to help our clients identify their obstacles, eliminate their barriers, and instill safeguards to prevent future instances of homelessness.

We are proud to have been providing secure housing and supportive services to women and their children for over 20 years.

MISSION

To positively impact the lives of women experiencing homelessness and abuse through innovative programs and resources that support independence, nurture intrapersonal growth, and prepare them for a more prosperous future.

VISION

To provide a comprehensive solution that adequately addresses all of the challenges faced by women experiencing homelessness.

IN-KIND DONATIONS

FOR OUR EMERGENCY SHELTER FACILITY – SERVANT'S HOUSE

Thank you for your commitment to empowering our residents and helping to spread joy. Our annual collections for the shelter facility directly benefit the mothers and children staying with us.

Donors receive social media and website recognition. Items provided by donors can include their branding. Larger contributors can receive PR and photo ops with the staff and Executive Director.

For the privacy of our residents, TPCS does not provide photos of our clients or offer entry to our secured facility.

Fresh Start Kits *(Donations received on a recurring basis)*

At the initial time of arrival, many moms and their children come to us with little or nothing. As such we supply each family with a Fresh Start Kit. Each Fresh Start Kit should include: personal hygiene items for the family, washcloths, towels, water bottles and non-perishable snacks. 70 packages are requested per year.

Back-to-School Initiative *(Commitment to support deadline July 1)*

Every school-age child/teen receives a backpack filled with basic school supplies and other goodie items such as stickers and erasers. Supports 50 youth.

Halloween *(Commitment to support deadline Sept 15)*

For the safety of all, children trick-or-treat in the Servant's House facility visiting the decorated social spaces managed by the staff. The underwriter(s) can shop for decorations, candy and the children's requested gently-used or new costumes. Supports approximately 60 children.

IN-KIND DONATIONS

CONTINUED

Thanksgiving *(Commitment to support deadline Oct 1)*

Each family is given a non-perishable fixings food basket and an 8-10lb turkey or chicken. For those remaining in the facility for the holiday, our staff cooks a Thanksgiving meal. Supports 24-27 families that range in size to include some RAs and/or recent past residents.

Adopt-A-Family for the Holidays *(Commitment to support deadline Oct 1)*

During the holiday season we like to offer our families something extra special - a new toy, a new article of clothing, an item they've truly desired throughout the year. With your help, we are able to accomplish just that! Each family is asked to provide us with their holiday wish list (families range from 2-5 members). Sponsors are able to select families based on size and are asked to supply wrapped presents based on the families' wish list items. Sponsors also have the option to donate gift cards for families. Supports up to 27 families.

Mother's Day *(Commitment to support deadline April 1)*

All moms deserve appreciation for all that they do for their children. Flowers, candy and baked goods for 35 moms (including our RAs) are requested for this special day of recognition.

Easter *(Commitment to support deadline Jan 3)*

The Easter bunny comes to the shelter to hand out baskets and hugs for all. Easter baskets for 50 youth are requested. 24-27 baskets of food for the families are welcomed as well.

Juneteenth *(Commitment to support deadline May 1)*

Our annual BBQ brings everyone from the facility together to acknowledge the significance of Juneteenth. Uncooked BBQ foods, sides, and desserts for 75-80 people are requested.

Collection Box Opportunities *(Donations received on a recurring basis)*

Collections include dishwashing detergent, laundry detergent, hand soap, household cleaning products, cases of water bottles, diapers, formula, spices, cooking oils, paper goods, and laptops (in good working condition).

SPONSOR-A-ROOM

ENSURE A POSITIVE & SECURE SPACE FOR ALL

Prior to the new arrival of a mother and her family in our shelter facility, TPCS swiftly turns their private room around with a fresh coat of paint, fixes/renews fixtures, provides new bedding/towels and other family necessities.

While our clients reside with us, they have access to supportive services and communal spaces that support independence and aid in their transition out of homelessness. It is TPCS's goal for all moms to become independent and stable within 6-8 months while staying at our facility.

By supporting this annual campaign, you are helping to make a meaningful difference towards the living environments for our clients residing in our shelter.

24 Bedrooms each at \$3,000

Just \$8 a day for maintenance, upgrades and supplies per room per family. Please note that our facility is a non-congregate shelter, meaning each family has their own private room.

8 Units each at \$5,000

Just \$14 a day for maintenance, upgrades and supplies per unit per group of families. Each unit consists of a kitchenette, bathroom and living room.

Full Kitchen at \$10,000

Includes food basket per entry of families in need, utility, maintenance of appliances, and kitchenware. This is a communal space.

Day Room at \$10,000

Includes maintenance, toys, electronics, reading materials, and parenting groups. This is a communal space.

Laundry Room at \$7,500

Includes supplies, cost for families' use of machines, utility, and maintenance. This is a communal space.

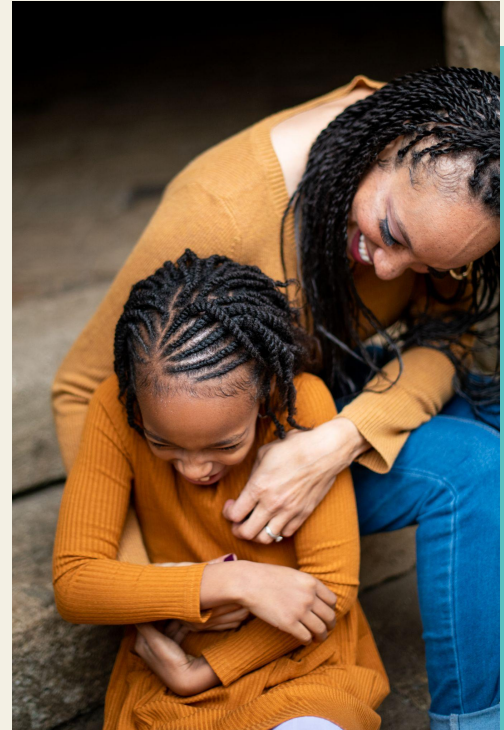

PROGRAM UNDERWRITER

EDUCATE & EMPOWER

Supporters have the opportunity to underwrite the following pilot programs, participate in curriculum design and/or program implementation, and receive partnership recognition:

- Job Readiness Trainings
- Financial Literacy Sessions
- Mental Health Awareness Program
- Housing Assistance Workshops

- Check Presentation Photo Opportunities
- Three - Five Social Media Posts to Include Partnership Announcement on Facebook and LinkedIn
- Upper Tier Logo Presence on Website Partnership Landing Page and Front Page Carousel
- Volunteer Opportunities
- Press Release
- Featured Story on Newsletter

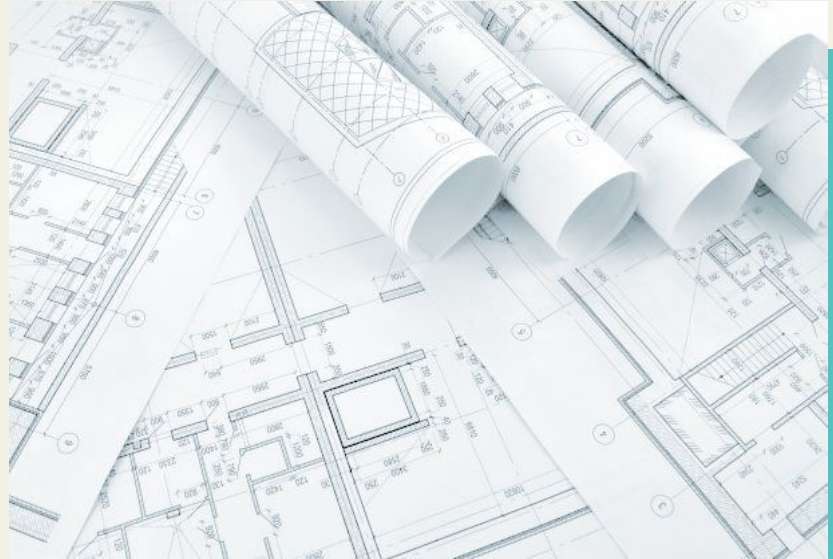

CAPITAL CAMPAIGN

THE FUTURE IS NOW

In 2024-25, we will be embarking on a capital campaign to turn our second building, a mixed-use residential and commercial property purchased in 2022, to become a one-of-a-kind 24-hour child care center for moms working traditional and non-traditional hours. The residential units will serve as supportive and affordable housing opportunities for families.

Building Naming Opportunity \$1,000,000 and other sponsorships available.

THANK YOU FOR YOUR CONSIDERATION

A STORY OF HOPE ...

“Everyone has a story that led them to where they are...[TPCS] helped a lot while I was here. They actually helped me get a job, register for school, and get an apartment. I have a sick son and they helped me out with his health conditions. They actually taught me a bit about being a woman more than I knew, more than anyone else had taught me, so that was a good experience for me.”

— *Ja’Quillah Wright*
Former Servant’s House Resident
